## WE ACT AND ASK YOU TO ACT WITH US

### help!

We call to YOU for HELP!  
IT IS FOR DEBS WE CALL.  
It is for the hundreds of political prisoners we call.  
Of course, even you are not free. But are freer than Debs, Emil Herman, Kate Richards O'Hare, J. O. Bentall, and hundreds more upon whom the dead weight of iron rests day and night.

**THE DEAD WEIGHT OF IRON!**  
Iron bars, iron bolts, iron walls, iron, iron beds—yes and in many cases metal dishes from which a meager fare is gulped. You are outside. The sunshine is yours, at least. They are inside, carrying around all day a weight of stone and iron, a dead weight under which no man can grow or smile.

**AND THE PRISON ROUTINE!**  
Have you ever had the route to be caged?  
If you have you know the deadening effect of prison routine.

Everything is REGULATED. You walk by rule. You talk by rule. You go to sleep by rule. You wake up by rule. You eat by rule. You bathe by rule. You dress by rule.  
Everything you do, everything you do not do is done or not done because a PRISON RULE commands you.

**THAT'S PRISON.**  
It is for Debs and all our prisoners that we CALL TO YOU for help.  
We must release them before iron, stone and prison rules kill them mentally and physically.

### help!

**DEBS WAS ARRESTED IN OHIO.**  
He was indicted in Ohio.  
He made the speech for which he was indicted in Ohio.  
OHIO NOW COMES TO HIS RESCUE and to the rescue of all political prisoners as well.

The best there is in Ohio comes to the rescue.  
The politically and industrially intelligent workers of Ohio have resolved to labor unceasingly to liberate Debs.

**TO YOU WE SAY—JOIN OHIO IN THIS CAMPAIGN** for the liberation of Debs and all.

Up to now not one well planned, well organized attempt has been made to liberate Debs. We have waited, waited and waited—yet no opportunity presented itself for co-operation with other forces in a demand for Debs' freedom.

**WE HAVE DECIDED TO QUIT WAITING.**

**WE HAVE DECIDED TO ACT!**  
And this is an invitation TO YOU to act with us. JOIN OHIO IN ITS CAMPAIGN TO FREE DEBS AND ALL POLITICAL PRISONERS.

**TO THE RESCUE!**

### help!

Mails leaving Cleveland are heavy with CALLS FOR HELP.

One of these calls is traveling in your direction.  
IT WILL REACH YOU IN A VERY FEW DAYS!  
Watch for it. And if by chance it does not reach you write to us at once.

We want you to receive one of these CALLS.  
There is printed upon them pictures of Debs you've never seen, pictures of prison gate and steel cell. It is a call which EVERY SYMPATHIZER WITH OUR IMPRISONED COMRADES WILL RESPOND TO.

Take this call and visit EVERYBODY YOU KNOW—AT ONCE.

Then visit those you don't know—for everybody will give and give liberally. Circulate the call for help among the members of your labor union, among your relatives, among your neighbors. Miss no opportunity to SWELL THE LIBERATION FUND.

The campaign to liberate Debs and all the rest HAS ALREADY BEGUN. The first gun has been fired. You are now wanted to enlist in the front ranks.

**JOIN THE ARMY OF LIBERATORS!**  
**HELP SECURE A LIBERATION FUND OF THOUSANDS OF DOLLARS!**

## Truth About Debs' Transfer Workers' world Staff go to Prison

The story by David Kerner, printed in the Ohio Socialist some weeks ago, that Debs had been removed from the Moundsville, West Virginia penitentiary at the behest of the coal barons must have gotten under the skin of the governor of that state, J. J. Cornwell.

The result has been that we are now treated to some very interesting correspondence. Two of three readings of the letter from the West Virginia board of control to the Department of Justice at Washington and the answer from the Department of Justice are available.

These letters expose the "business" way in which prisons are conducted. The conception that prisons are reformatories is here completely disproven. Prisons are slave pens and the inmates are sold at the cheapest price to venereal contractors.

The ignorance of the state board of control is also refreshing. Debs was sentenced by Judge Westenhaver at Cleveland and not by Judge Landis at Chicago. That it cost the West Virginia state prison \$500.00 a month extra for guard service while Debs was there is interesting news.

The most important part of this correspondence is contained in the answer of F. H. Dushay, superintendent of prisons to the West Virginia board of control. In the last paragraph of this answer Mr. Dushay admits one of two things: Either the United States army is composed of crooks, or else he understands that the capitalist system breeds crooks at a rapid rate. However, read and study the correspondence for yourself.

**LETTER FROM THE GOVERNOR OF WEST VIRGINIA**

JOHN W. SHARTS,  
Governor of West Virginia,  
Executive Department,  
Charleston.

July 31, 1915.

Dear Sir:—I have read a story in the Ohio Socialist some weeks ago, that Debs had been removed from the Moundsville, West Virginia penitentiary at the behest of the coal barons.

and did not know it was contemplated until the warden called me advising me that he had notice that Debs would be taken away the next morning. Mr. Kerner's article does not go a long distance and is entirely erroneous in all its statements as to my interests and connections.

Very sincerely yours,  
JOHN C. CORNWELL,  
Governor.

**LETTER FROM THE STATE BOARD OF CONTROL OF WEST VIRGINIA TO THE DEPARTMENT OF JUSTICE AT WASHINGTON, D. C.**

(This letter does not ask for Debs' removal so much as it uses Debs and the chief end of maintaining guard service as an excuse to compel the U. S. government to send the West Virginia penitentiary 100 to 150 more prison slaves.)

The ignorance of the state board of control is also refreshing. Debs was sentenced by Judge Westenhaver at Cleveland and not by Judge Landis at Chicago. That it cost the West Virginia state prison \$500.00 a month extra for guard service while Debs was there is interesting news.

Edward Egan, Wm. E. Browder, Harry Doyle, Bobb, Sullivan, E. H. Browder and R. I. Moore, all editors upon the Workers' World, our middle west contemporary began a two year sentence in the Leavenworth penitentiary about the middle of July.

They were convicted under the charge of violating the espionage act, Ella Reeve Bloor writes that "we all felt the sadness of the hour when our seven comrades began their journey to Leavenworth. That hour was consecrated to the very spirit of democracy, to the principle of true internationalism."

The Ohio Socialist calls upon all its subscribers to assist these imprisoned comrades by subscribing to the Socialist paper they so conscientiously edited and circulated. Jim Cannon is now the editor and nothing would encourage him more than a flood of subscriptions from Ohio Socialist subscribers. Send a dollar to The Worker's World, Box 697, Kansas City, Mo., and have the paper sent you for six months.

this for his safety as well as that of other prisoners. If we cannot get some editors prisoners to help bear this extra expense in connection with his care we shall have to ask to have him cared for in some other institution. We feel in justice to this that we should receive some of these federal prisoners, and in view of the fact that the government is sending prisoners from West Virginia and Ohio to Atlanta, Georgia, we believe we can take care of them just as well as that state, and the transportation charges would be less to the government.

Will you kindly let us know if we cannot arrange to let us have 100 or 150 prisoners.

Very truly yours,  
STATE BOARD OF CONTROL,  
By R. H. Stephens, President.
