

Debs' Loyalty to His Imprisoned Comrades a Superb Sacrifice

TELEGRAM AND LETTER FROM LIBERATOR REPRESENTATIVES
JOHN DEBES RESTORED FROM CONFINEMENT WITH
WORKERS' CHAMPION

Debs made his decision. A month ago when our representatives visited him to consult him in regard to starting habeas corpus proceedings for the purpose of ending his illegal confinement in Atlanta federal penitentiary, he said "Return in thirty days and I will give my answer."

On Sept. 20th, attorney Sharts and Castleton again visited him to receive his answer.

Here it is, a telegram sent us immediately after the consultation was ended, and a letter from comrade Sharts which gives further details.

WESTERN UNION TELEGRAM

A WAGENKNECHT, 1291 COOK AV. CLEVELAND, O.
DEBS SAYS: "I HAVE STUDIED THIS MATTER THIRTY DAYS. EVERY INSTINCT IS AGAINST MY MAKING AN INDIVIDUAL FIGHT FOR LIBERTY WHILE MY COMRADES ROT IN JAIL. WOODROW WILSON AND HIS POLITICAL CROWD SENT ME HERE FROM MOUNDSVILLE TO KILL OR BREAK ME. I SHALL STAY UNTIL I DIE OR HE IS FORCED TO RELEASE US ALL. MY FAITH IS IN THE BANK AND FILE OF MY COMRADES."

SAMUEL M. CASTLETON JOSEPH W. SHARTS

A. Wagenknecht,
1291 Cook Avenue, Cleveland, Ohio.
Dear Comrade:

My telegram of last Saturday tells the story.

Debs was much surprised to see me. For one thing, he thought the 30 days would not be up until the 22nd. For another, he said he had written home to Terri Hale telling the folks to notify Comrade Prevey and me not to go as he had finally decided not to make an individual fight for freedom. Comrade Prevey must have got that word, for she did not come.

The telegraphed message from the boy in Leavenworth also failed to reach me in time. I wish I had it to show to Gage. It is as magnificent a thing, coming from the political prisoners he is trying to rescue by his own self-sacrifice, as is his own attitude. He would have cried over that telegram, I know.

He is still in the hospital. And right here let me say a word for the wardens of the Atlanta Penitentiary. Those who heap curses upon the wardens for the brutalities committed upon our comrades in that hell-hole—and it is a hell-hole, I know—do him a great wrong.

The brutalities that are being practiced at the Atlanta penitentiary are systematically prescribed from Washington.

Let us get that fact clear. To blame the wardens for what is being done to Debs and our other comrades is like hitting at the stick instead of attacking the hand that wields the stick.

The men we have to hold responsible for what is happening to Debs and the others are in the White House and the Attorney General's office and back of them all is brutal capitalism. It is silly for us to look lower down.

There is a lot of twaddle extant about the alleged "kind heart" of Woodrow Wilson and his personal desire to pardon these prisoners and end the sufferings of the conscientious objectors also, were he not deterred by "reasons of state." He acquired that credit by commuting the death sentences inflicted on a couple of soldier boys who fell asleep on picket and mercifully giving them a chance to die in battle killing Germans. After all it was a more efficient and economical way of using them.

I have looked into the cold, thirsty Scotch Presbyterian heart of Woodrow Wilson, and I believe Debs is right when he says that neither he nor his fellow political prisoners will be released thru any spark of magnanimity emanating from that faintly of fancy phrases.

The release will come when Woodrow Wilson and his satellites are forced to do it by the rising tide of the workers' indignation; they will do it then to avoid being inundated but will put on a show of magnanimity to save "their face."

Our task, then, is to rally our comrades in a united effort for Woodrow Wilson to recognize the necessity of releasing all political prisoners.

For Gen. Debs individually, it may be that appeals pouring in upon him from his fellow-prisoners and from his comrades may induce him to change his mind. I think you should wire him the message from Leavenworth or enclose it in a letter to him. He ought by all means to know it. He ought also hear from his comrades so that he may know whether or not they wish him to remain passive in prison or make the effort thru habeas corpus for his own release.

(Continued on page 4.)

"Every instinct is against my making an individual fight for liberty while my comrades rot in jail"

THOSE WERE THE WORDS DEBS SPOKE TO LIBERATOR REPRESENTATIVES JOSEPH W. SHARTS AND SAMUEL M. CASTLETON AT ATLANTA FEDERAL PRISON Sept. 20th. HERE ARE HIS ANSWERS TO THE QUESTION: "SHALL WE GO AHEAD WITH HABEAS CORPUS PROCEEDINGS AND GIVE YOU A FEW WEEKS, POSSIBLY MONTHS OF FREEDOM, WHILE THIS QUESTION OF THE LEGALITY OF YOUR REMOVAL FROM THE HUMANE CONDITIONS OF MOUNDSVILLE PRISON TO THE HEALTH DESTROYING ATLANTA PRISON ARE BEING THERASHED OUT IN THE U. S. SUPREME COURT?"

IT IS PERHAPS NOT THE ANSWER WHICH YOU OR WE WOULD HAVE THE MORAL AND PHYSICAL COURAGE TO GIVE TO SUCH A QUESTION—with ten years and perhaps death in prison confronting us. VERY LIKELY OUR ANSWER WOULD HAVE BEEN DIFFERENT. YOU AND WE LOVE LIBERTY. VERY LIKELY THE SMILING FACE OF FREEDOM AS WE GAZED THRU THE BARRED WINDOWS WOULD HAVE BECOME TO US—JUST AS IT DID TO DEBS—but we would not have been able to put the temptation from US. WE LOVE LIBERTY. SO DOES DEBS. YET HE ANSWERED "NO" WHEN IT WAS OF FEEDER HIM.

DEBS' ANSWER WILL FOREVER BIND HIM TO THE OPPRESSED FOR WHOM HE HAS ALREADY GIVEN A LIFE OF SACRIFICE AND SERVICE AND FOR WHOM HE STANDS READY NOW TO GIVE HIS NEW REMAINING YEARS OR EVEN LIFE ITSELF. DEBS HAS ANSWERED EVERY CALL OF HIS COMRADES—ANSWERED THEM FULLY WITHOUT A LIMIT AND NOW IN PRISON, FULL OF BODY AND LIVING UNDER MERCILESS PRISON RULES, HE STANDS LOYALLY BY THE PRINCIPLE WHICH HAS GUIDED HIM IN HIS LIFE WORK.

DEBS IS AS CLASS CONSCIOUS IN PRISON AS HE WAS WHEN AMONG US. HE FEELS HIMSELF ONE WITH THE THOUSANDS OF OTHER POLITICAL AND CLASS-WEAK PRISONERS NOW IN AMERICAN BASTILES. HE IS ONE OF THEM AND THEIR CAUSE IS HIS CAUSE. RUMORS FROM MANY SOURCES HAVE REACHED DEBS

THAT PRESIDENT WILSON AND HIS ADVISERS HAD HIS CASE UNDER ADVISERMENT FOR A PARDON. THEY HAVE HAD NO EFFECT UPON HIM. HE HAS REPEATEDLY AFFIRMED THAT HE WAS ENTITLED TO NO MORE CONSIDERATION THAN THE MOST LOWLY AND UNKNOWN POLITICAL PRISONER IN THE LAND. HE DOES NOT APPROVE OF THE ADMINISTRATION ABSOLVING ITSELF FROM DOING JUSTICE TO ALL POLITICAL PRISONERS BY SETTING AT LIBERTY A FEW OF THE MORE NOTED ONES. DEBS PREFERS TO BE THE LAST MAN OUT. HE WANTS TO SEE THE BOYS FROM LEAVENWORTH, THE FELLOW WORKERS AT ALCATRAZ, THE MEN AND WOMEN FROM EVERY POLITICAL PRISON IN THIS LAND WALK OUT INTO THE SUNLIGHT, FREE TO GO AND COME AS YOU AND WE ARE FREE TO DO SO, THEN AND ONLY THEN, DOES HE CONSENT TO LIBERTY FOR HIMSELF.

DEBS KNOWS THAT POLITICAL PRISONERS WILL BE FREE IN THIS COUNTRY ONLY WHEN THE DEMANDS OF THE WORKERS REACH FLOOD TIDE AND THREATEN THE POWER OF THE CAPITALIST CLASS. HE KNOWS THAT ONLY THREATENED MASS AND CLASS ACTION BY THE WORKERS WILL OPEN THE PRISON DOORS, AND HE IS RIGHT. ONLY AN ABUSED WORKING-CLASS, DETERMINED TO SEE JUSTICE DONE THE POLITICAL PRISONERS WILL STIR THE ADMINISTRATION INTO ACTION.

DEBS HAS TAKEN HIS STAND FOR FREEDOM FOR ALL POLITICAL PRISONERS. HE IS WILLING TO DIE IN PRISON IF NECESSARY FOR THAT PRINCIPLE. HE MADE HIS DECISION. BUT YOU HAVING MADE YOUR DECISION, ARE YOU WILLING NOT TO DIE—BUT TO LIVE AND WORK FOR THE RELEASE OF DEBS AND ALL POLITICAL PRISONERS? WILL YOU STAND BY DEBS, AND STRENGTHEN IN HIS DETERMINATION THAT ALL SHALL WALK OUT TOGETHER? UPON THIS MATTER THERE CAN BE BUT ONE ANSWER. EVERY WORKER MUST DO HIS PART. THINK, TALK AND ACT FOR THE FREEDOM OF ALL POLITICAL PRISONERS. JOIN THE LIBERATOR ARMY. COLLECT FUNDS TO CARRY ON THE WORK.

STAND BY DEBS ON THE PRINCIPLE OF
"ALL TOGETHER!"

Stevedores Refuse to Move Rifles for Kolchak

SEATTLE.—Frank Waterhouse, Seattle shipping magnate, has declined to become a party to the shipping of munitions to Russia for the slaying of Russian working men. Kolchak, it is declared by his waterfront representatives, is to be turned over to government officials in Seattle, according to the American Waterfront. The government is being notified by the Frank Waterhouse company that this firm will refuse to handle all shipments of munitions for the American army in Siberia.

The action of the Waterhouse company is in the自然 of instant support to the action of 12 dockworkers who held out off the job at Pier 5 when they found that cases being loaded on a Japanese freighter contained rifles, machine guns and naval guns intended for the wholesale slaughter of the supporters of Russia's working class.
